**The Board of Directors
Arabtec Holding PJSC
Dubai
United Arab Emirates**

Introduction

We have reviewed the accompanying interim condensed consolidated balance sheet of **Arabtec Holding PJSC** (the “Company”) and its **Subsidiaries** (collectively the “Group”) as at June 30, 2007 and the related interim condensed consolidated statements of income, changes in equity and cash flows for the six month period then ended and accompanying notes. Management of the Company is responsible for the preparation and fair presentation of this interim financial information in accordance with International Accounting Standard No. 34 – Interim Financial Reporting (“IAS 34”). Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of review

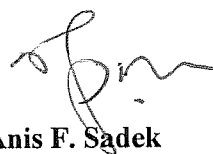

We conducted our review in accordance with International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity.” A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with International Accounting Standard No. 34.
